UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEW JERSEY

YASMIN FAHEEM,

Plaintiff,

vs.

CITY OF ATLANTIC CITY, DALE L.  
FINCH, in his official capacity as CITY OF  
ATLANTIC CITY DIRECTOR OF  
LICENSING & INSPECTIONS, PAULA  
GELETEI, in her official capacity as CLERK  
OF THE CITY OF ATLANTIC CITY, and  
JOHN DOES I-X (fictitious names), jointly,  
severally, and in the alternative,

Defendants.

DOCKET NO.: 1:24-cv-08798

**DECLARATION OF RYAN J.  
WINDELS, ESQ.**

I, RYAN J. WINDELS, hereby declares as follows:

1. Plaintiff On the afternoon of August 29, 2024 I attended a hearing hosted by the City of Atlantic City to discuss the mercantile license suspension of 24/7 Food Mart.
2. The hearing was held remotely via Zoom and to the best of my recollection was attended by my clients, Naeem and Yasmin Mohammed, as well as Karl Timbers, Assistant Solicitor of Atlantic City, Dale Finch, Director of the Department of Licensing and Inspections, as well as two officers of the City of Atlantic City.

3. Mr. Timbers began the hearing by introducing the City's participants. He then asked an officer to read the criminal charges brought against the clerk of 24/7 Food Mart and our client.

4. After the officer's statement, Mr. Timbers began sharing incidents that have taken place at or around 24/7 Food Mart in the past that he believes necessitated the license suspension. He specifically mentioned a homicide that allegedly took place outside the 24/7 Food Mart.

5. Mr. Timbers then allowed me the opportunity to rebut his claims. I stated that we believed that the criminal charges and the license suspension should be adjudicated separately as they do not appear to be related. I also stated that my clients were willing to work with their staff to ensure that all rules and regulations regarding the sale of cigarettes were being followed closely, and that we do not believe the actions of the store clerk should be associated with my clients as they were not aware of the alleged activity.

6. After I completed my statement, Mr. Timbers initially stated that if my client connected his camera system to the Atlantic City Police Department they could reinstate the mercantile license until the criminal charges were resolved.

7. I pushed back that the criminal charges are separate from the license suspension.

8. Mr. Timbers then stated that if my client connected to the Atlantic City Police Department, the license could potentially be reinstated, regardless of the outcome of the criminal matters.

9. No further details were shared by Mr. Timber as to the timing of the license being reinstated. Mr. Timbers stated that my client had previously agreed to do connect to ACPD, but did not result in doing so.

10. Once Mr. Timbers completed his statement I restated what I believed to be his resolution framework and asked about the timing of the license being reinstated in the event my client agreed to the resolution framework. Mr. Timbers advised that he could not speak to the timing of the potential reinstatement, but that it would be the decision of Mr. Finch.

11. I then asked for time to speak to my client in private to discuss the resolution proposal. The hearing then ended.

12. Attached hereto as **Exhibit A** is a true and accurate copy of the email from Karl Timbers, Esq. dated August 27, 2024.

13. Attached hereto as **Exhibit B** is a true and accurate copy of my email chain with Mr. Timbers between August 28, 2024 and September 3, 2024.

14. Attached hereto as **Exhibit C** is a true and accurate copy of the September 3, 2024 Decision.

15. Attached hereto as **Exhibit D** are true and accurate copies of the incident reports related to the August 16, 2024 events.

I certify that the foregoing factual statement by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.

Mr. Windels:

I have included your clients mercantile licenses going back several years. I have also included case files for cases going back several years.

As to your questions:

Your client was instructed that he could reach out to ACPD to confirm if a system would meet ACPD requirements to be connected to their system.

As to whether the suspension would be lifted immediately. This is a decision for the Hearing Officer/Dept. Head. As I stated during the hearing, I would make a recommendation, but ultimately the decision belongs to the Hearing Officer/Dept. Head. My reasoning was that the most recent instances might not have happened if your client had installed the cameras as he had agreed to do previously. The ultimate decision is not mine to make.

If your client does not agree, the city will move forward and issue a decision based upon the hearing. That decision has not been made at this point.

Thank you.

Mr. Timbers and Mr. Finch,

I had a few points of clarification to the potential resolution discussed during today's hearing. We are still discussing this with our client, but wanted to clear these issues up in the meantime.

First, in terms of connecting the security cameras with the ACPD, would that require a new camera system or would ACPD be able to connect with the existing camera system?

Second, regardless of which camera system can be accessed, would the suspension be lifted immediately once our client agreed to allow ACPD to connect?

Finally, if our client does not agree to this, what would the City's position be then?

Thank you.

Ryan

Re: 24/7 Food Mart – Mercantile License Suspension  
Hearing Dated August 29, 2024 – Decision

1. Hearing based on violations and charges occurring at 1406 Atlantic Avenue, City of Atlantic City. The following criminal violations charged on August 16, 2024.

<u>Charges</u>	<u>Description</u>
2C:35-10A(1)	Possession of CDS Cocaine
2C:35-5A(1)	Mfr./Distribute CDS (Cocaine)
2C:35-7.1A	Dist CDS W/I 500' PUB HSE
2C:36-3	Distribute Drug Paraphernalia

2. Upon recommendation of the Atlantic City Police Department, the Mercantile License was immediately suspended due to the imminent harm and danger to the public from the distribution of cocaine and other violations as stated above.
3. On August 26, 2024, a notice was hand-delivered advising the mercantile license holder that they were entitled within seven (7) days to have a hearing to contest the suspension of the mercantile license. Pursuant to City Ordinance 170 of 2013, a hearing was offered and was held on August 29, 2024.

The continued habitual criminal use of this location to distribute drugs has put the community in a dangerous situation that we cannot afford to let continue unabated. Further, based on the severity of the charges and also the many past criminal violations that have occurred at this location, it is my decision that the mercantile license remain suspended until the criminal matter can be heard or resolved. Past criminal violations include the following:

- a. September 2018: Narcotics Search Warrant – Sales by Clerk
- b. October 2022: Homicide
- c. January 2023: Taxation Inspection
- d. June 2023: Homicide
- e. November 2023: CDS Distribution
- f. February 2024: CDS Distribution

- 132
- g. May 2024: Shooting of 15 year old juvenile
  - h. May 2024: Citizen Complaint
  - i. August 2024: Drug Sales by Clerk

Because of the imminent harm and safety issues affecting the public, the mercantile license shall remain suspended and continue to be suspended until the criminal matter has been resolved or decided. Upon a decision from the criminal court the issue of the removal of a mercantile license will be re-visited and a determination will be made as to either continue revocation or allow renewal of the mercantile license.

<b>NARRATIVE</b>			
<p>On 8-16-24 I, Lt. R. Andrews was in an unmarked vehicle in plainclothes. I was conducting surveillance in the area of 1400 Atlantic concerning numerous complaints of CDS activity. In addition, a recent complaint to the Chief's office concerning drug sales within the store at 1406 Atlantic (24/7 Store ) had been made.</p> <p>I observed the store clerk, later identified as Cecil Morgan often leave the area of the cash register and walk to a nearby coffee station where he would bend down and manipulate items. He appeared to have a black draw string bag stashed in that area which I found odd.</p> <p>After observing for approximately 20 minutes, a male and female entered the store. The male spoke with Morgan and did not appear to buy any normal store items. Morgan came from behind the counter and escorted the male to the area of the earlier mentioned coffee station. Morgan bent down and appeared to retrieve a small item consistent with CDS.</p> <p>I could also observe him using what appeared to be a small silver digital scale which he had in his pant pocket. Currency was exchanged for the item which appeared to be concealed in cellophane and then the male left and walked East with the female placing the item in his pocket.</p> <p>I had Detectives Dodson and Barrett stop the suspected buyer later identified as [REDACTED] 8 [REDACTED]. Upon checking him a cellophane bag containing four grams of Marijuana was located in his pocket. This item was confiscated by the Detectives. They retrieved ID from [REDACTED]. The female in his company advised he had just purchased that from the store. [REDACTED] later advised he paid \$50.00 for the weed. His information was gathered and he was sent on his way pending further investigation.</p> <p>At this time, I continued to monitor the store and Morgan the clerk. A young male entered and I observed Morgan walk to a cold box toward the middle of the store. He placed several items into a plastic bag which he appeared to retrieve from the cold box. The unknown young male exited on a bike. He rode directly past me where I could observe the contents in the bag were several cigarette packs. I thought this was also odd as there were plenty of cigarettes on the shelf behind the register.</p> <p>At this time, we decided to enter the premises. Morgan again left the register unattended and suddenly walked outside to the sidewalk where he was detained. He was explained the situation and walked back into the store. US currency and the silver digital scale were immediately located in his pocket. Roughly a half ounce of crack cocaine was also discovered in the waistband area of his pants. He was later transported to PSB and processed for numerous CDS offenses.</p> <p>Several items of paraphernalia were located directly behind the counter area where the cash register</p>

Several more were located under the register area not displaying the NJ tax stamp. Ironically the cigarettes on clear display on the shelf behind the register did have the proper NJ tax stamp. Numerous cartons were confiscated with notification to the Division of Taxation for follow up and potential future charges for the owner. Mercantile division also came on scene to assist.</p> <p>Sometime later, the store owner, Tariq Mehmood arrived on scene. Mehmood was advised of the situation and the mercantile inspector also advised him that whatever Cigarette license he had on display was very outdated.
